EO-14

Muslim Coverage

EXCERPT FROM D/FBIS DAILY LOG - 6 February 1980

1. **EYES ONLY.** [] called to relay remarks from [] Comptroller's Office, regarding FBIS' FY 1980 budget. First, Congress has approved an additional [] for "overt coverage of the Muslim World." In view of the disparity between the fiscal years versus funds that are identified in the original FBIS proposal and those in the Congressional approval, [] requests a line-by-line discussion of our proposal, probably next week.

Secondly, the DDCI is thinking about requesting a supplemental that would include an item for FBIS' TV facsimile monitoring system. The Comptroller's Office said there are doubts about how realistic our figure is--it may be too low to accomplish our goal. Also, there is some question as to whether this monitoring would be redundant to NSA's effort. This will be the second topic to be discussed with [] will set up the meeting.
